

WANTED: VOLUNTEER PROFILES FOR MARIN IJ

The Marin IJ has begun a Volunteer of the Week feature in the Saturday edition of the newspaper. This is a great way for your agency to thank one of its dedicated volunteers and, in the process, get some publicity for the organization as well. The Center is coordinating this feature with the IJ. **Please do not send the information directly to the paper.**

Here is the format in which they need the information:

- Name of Volunteer
- City of Residence
- **Picture (headshot ONLY in jpeg format)**
- A line or two about the agency with phone number and/or website (50-70 words)
- A quote from the supervisor (two-three sentences) of the volunteer with name and title.

All entries should be sent to Shobha Hiatt, Development and Marketing Manager at shobhah@cvnl.org.
